Healthy Holiday Eating Tips

Enjoy holiday traditions while caring for your health:

- **Eat a small, balanced meal before a party so you can choose portions comfortably.**
- **Fill half your plate with vegetables or fruit, then add protein and a favorite side.**
- **Choose one or two special treats you truly enjoy instead of sampling everything.**
- **Eat slowly, pause between servings, and notice when you feel satisfied.**
- **Keep water nearby and alternate it with festive drinks.**
- **Bring a lighter favorite—such as roasted vegetables, fruit, or a yogurt-based dip—to share.**
- **Take a short walk after meals and return to your usual routine the next day.**

Healthy holiday eating is about balance, not perfection. Enjoy good food, meaningful company, and the season's celebrations.

Happy Holidays - Enjoy! Nurse J.J.
